

**Membership Roster Instructions—
Below is the page you should see once you log in.**

- Scroll to the bottom and click: **“Add a New Member”**.
- Enter the name of the organization that you wish to add the member to.
- You will then be prompted to **enter the student’s userID (NOT student ID #)**. On that same screen, you will see options for identifying what office they hold (if any).
- To add more than one member, hit the back button and repeat the process. To add multiple members, simply separate the userIDs with a space.
- To change a member’s title (if they are currently listed as a member, and now they are also an officer), click: **“Change Status/Residence/Officer”**. Select the person’s name and you will have the option of choosing an officer title for them.
- To delete a member, email the name(s) for deletion and the name of the RSO to stulife@mst.edu
