Why join a sorority?

Sisterhood
Sisterhood is the key to the closeness that members in each chapter share. A sorority will become your home away from home. Working together towards common goals strengthens the bond within each chapter as well as builds relationships with other chapters. Sharing your college experience with a wide variety of sisters will provide you with amazing friendships that will last a lifetime.

Scholarship
Greek women at S&T know they are here first and foremost for an education. S&T sororities pride themselves on their academic accomplishments and strive to maintain this exemplary status. Chapters have GPA requirements to remain in good standing and be eligible to participate in activities. Each chapter has a scholarship program that offers mentors, tutors and study breaks.

Leadership
Each sorority chapter is self-governed and offers its members an opportunity to improve leadership skills. At S&T, sorority women are well represented in numerous campus organizations including honorary, professional, social and service societies. Greek students make up about 25% of the campus population, but hold nearly half of the leadership positions in S&T’s 200+ student organizations.

Service
S&T sororities believe civic responsibility is important and that giving back to others makes the world a better place. Sorority women are dedicated to making a difference on campus and in the community. Last year, S&T sorority and fraternity members donated over 40,000 hours of community service time and raised over $30,000 in support of charitable causes.

The cost of joining a sorority varies from chapter to chapter. Learn more at sites.google.com/site/mstpanhel/documents

Why join a sorority?
Welcome!
A Message From Our President

My name is Coti Bova and I am honored to serve as the Missouri S&T Panhellenic Council President. Being a member of the Greek community at S&T has given me a number of opportunities to polish my leadership skills as well as the means to give back to the campus and community through service projects and programs. Going Greek has also allowed me to work with a variety of individuals forging lifelong friendships and relationships that will enhance my years as a student by leaps and bounds. Going Greek can provide the same opportunities to you!

There are three Panhellenic sororities on our campus: Chi Omega, Kappa Delta, and Zeta Tau Alpha. As a community, we place academic excellence at the top of our priorities, with each sorority striving to improve their overall GPA each semester. Each sorority is also highly involved with their individual philanthropy, which includes Prevent Child Abuse America, Make-A-Wish Foundation, and Breast Cancer Awareness. We are proud also highly involved with their individual philanthropy, which includes Prevent Child Abuse America, Make-A-Wish Foundation, and Breast Cancer Awareness. We are proud to work closely with the Interfraternity Council, the National Pan-Hellenic Council, and the Greek Independent Board to better the Greek community for all involved.

If you have any questions, please feel free to contact me at cnbzq8@mst.edu. Thank you for your interest in Greek Life at Missouri S&T!

Coti Bova
Missouri S&T Panhellenic Council President

Recruitment
Get to know each sorority chapter

Formal Recruitment is set up so that each interested woman can get to know each sorority chapter before deciding which organization is best for her. If you decide to go through Formal Recruitment, you will move into your residence hall a week before school starts in the fall (the same as Opening Week for new freshmen).

To make the process easier, you will be assigned Recruitment Counselors or "Rho Chis" who are sorority women that disseminate from their chapters during recruitment weekend. These women will be with you throughout the weekend to answer any questions you may have about Recruitment or Greek life.

Participate in social events

During recruitment weekend, you will visit all chapters and get to know girls from each one. Each day consists of planned social events. Sisterhood Day allows the sorority women to show their sense of humor as they put on a skit and Philanthropy Day focuses on each chapter's community service work. These socials will help you figure out the goals, values and personality of each sorority on campus – and help you decide which chapter is best for you.

Keep in mind that Recruitment is a mutual selection process, so while you are deciding which chapters you feel most comfortable with, the women in each chapter are also trying to figure out which women fit best into their organization. If you decide that joining a sorority is not right for you, you may withdraw from Recruitment at any time.

Communication

You are encouraged to reach out to the sorority chapters. Your Recruitment Counselor, or "Rho Chi" for short, will be one of the first people that you will meet during your Formal Recruitment Week. She is a sorority woman that has been chosen to help Potential Members experience recruitment weekend in the most positive way possible. She meets the high standards of leadership, knowledge, and values that is needed to guide you on your way during Formal Recruitment. She will be able to answer many of your questions about recruitment seeing as she has been trained by our Panhellenic Council.

Your Rho Chi will have no contact with her sorority during Formal Recruitment Week. She can be relied on to keep all of your questions and problems confidential. It is important that you attend any meetings your Rho Chi may have, as she will have important information to give you. She will also be a shoulder to lean on when decisions get tough and always be ready to lend an empathetic ear, as she went through recruitment just like you!
