Missouri State University’s Student Life is pleased with this year’s turn out in all of the volunteerism and civic engagement activities that have taken place. This year’s new programs were added, Second Saturday Service and Alternative Weekend Break. Both of these programs have seen great success and will continue for the 2016-2017 school year to be on the look for them when returning in the fall. The End Fund annual Gonzos Gives Back food-related food drive and M&J Service day was also a success. Thanks to all of the staff, students, and faculty who came out and supported their school and community!

Central Missouri Foster Care and Adoption Association: CMFCAA provides services in 13 counties. Our volunteers get to play with kids at either our In-Service which is parent training or respite care which is a four hour ordeal for the kids to just be kids. As long as the volunteer is interested the volunteer gets to choose what events they want to help with. If we need more we may reach out to them and ask for help at the event.

MOCA Head Start Central Office: The volunteer assistance they are requesting is actually based on mini project/s. It would be working on developing online courses using a specific tool (Articulate 360). It would vary on different topics. Help would be needed in designing the content using the software tool based on the topics given.
