

Gonzo Gives Back Day of Service

Saint Patrick's Day 2016 marked the first annual Gonzo Gives Back Day of Service! The Department of Student Life and the Saint Pat's Committee collaborated to organize service projects throughout the Phelps County community. Eighty students volunteered on Saint Patrick's Day, and their efforts helped local community organizations complete their missions and the tradition will continue in 2017! We hope to gather even more students, staff, and faculty of the S&T community to help make a positive impact on our community during the St. Pat's celebration. This year the service event will be on Thursday, March 16th from 8AM to 12:30PM. Register for Gonzo Gives Back [HERE!](#)

Volunteerism Opportunities

Please visit the opportunities listing on our website to show interest in helping! <http://studentlife.mst.edu/volunteer-involvement/volunteeropportunities/one-timevolunteerevents/>

Children's Basketball League: If you are looking for volunteer service/community involvement, a great opportunity exists for college students. Over 300 kids are participating in a local basketball league at GreenTree Church. Your organization can adopt a team! By adopting a team, you are investing in the kids, teaching them good sportsmanship principles, coaching them to learn basketball skills and encouraging teamwork. For more information, contact Charla Jamison at cjamison@greentreecolla.org or Bryce Swafford at bswafford@rolla.k12.mo.us

Missouri S&T Eco-Miners: It's Spring and the Eco-Miners are participating on behalf of our entire campus in a nationwide competition! Every working-day for the next 7 weeks volunteer Eco-Miner Sprouts will be tabulating the amount of trash in waste bins and amount of recycled material all throughout campus. Please help us by finding the nearest bin to recycle in! For any question/concerns contact [Alice Tolstik](#).
