Welcome! A Message from our President

As Missouri S&T quickly becomes a more diverse campus, the mission of the Panhellenic Council is to build a more inclusive community for women. In doing so, we want to make sure that women who are interested in Greek life but are unsure about the process feel included. We have designed this Formal Recruitment process to be inclusive and welcoming for women who may not have been involved in Greek life before.

There are three Panhellenic sororities on our campus: Chi Omega, Kappa Delta, and Zeta Tau Alpha. As a community, we place high value on the traditions of our past. We ensure that our chapters are actively involved in service projects and programs. The Missouri S&T Panhellenic Council is dedicated to helping women find their place on campus.

Why join a sorority? There are so many reasons why you might want to join a sorority. Here are a few:

1. Scholarships: Each sorority offers scholarships that reward academic achievement. These scholarships can help make college more affordable.
2. Leadership opportunities: Being a member of a sorority provides opportunities to take on leadership roles and develop important leadership skills.
3. Community: Sorority sisters are a support system that can help you navigate college life.

Formal Recruitment is a great way to learn about the different sororities on campus. It's a great opportunity to meet new people and decide which sorority is the best fit for you.

Stop by our table during Formal Recruitment to learn more about joining a sorority. We look forward to meeting you!

Ali Piper
Missouri S&T Panhellenic Council President}

Philanthropy Day: We visit all three sororities and participate in service projects that benefit their national or local philanthropies. Attire is semi-casual.

Sisterhood Day: You will get to know each girl and chapter better. Laugh with them as they put on a skit and get a tour of each house. The attire is sorority dress code.

Preference Day: You will return to the sororities and may get to know the girls as you decide which chapter is the best fit for you. This is the decision day.

Scholarship: S&T sororities pride themselves on their academic accomplishments and strive to maintain the exemplary chapters. Chapters have GPA requirements to remain in good standing and eligibility to participate in activities. Each chapter has a scholarship program that offers mentors, tutors and study breaks.

Leadership: Each sorority chapter is self-governed and offers its members an opportunity to improve leadership skills. At S&T, sorority women are well represented in numerous campus organizations including honorary, professional, social and service societies. Greek women make up approximately 25% of the campus population, but hold nearly half of the leadership positions in S&T's 375+ student organizations.

Service: S&T sororities believe civic responsibility is important and that giving back to others makes the world a better place. Sorority women are dedicated to making a difference on campus and in the community.

Recruitment
Get to know each sorority chapter

Formal Recruitment is set up so that each interested woman can go to know each sorority chapter before deciding which organization is best for her. If you decide to go through Formal Recruitment, you will move into your residence hall a week before school starts in the fall (i.e. as Opening Week for new freshman).

Participate in social events

During recruitment weekend, you will visit all chapters and get to know girls from each one. Each day consists of planned social events. Sisterhood Day allows the sorority women to show their sense of humor as they put on a skit and Philanthropy Day focuses on each chapter’s community service work. These socials will help you figure out the goals, values, and personality of each sorority on campus – and help you decide which chapter is best for you.

Keep in mind that Recruitment is a mutual selection process, so while you are deciding which chapters you feel most comfortable with, the women in each chapter are also trying to figure out which women fit best into their organization. If you decide that joining a sorority is not right for you, you may withdraw from Recruitment at any time.

Greek Terminology

It can be easy to get a little lost in the sea of new vocabulary. Here are a few commonly used words that you might hear.

Advisor: An alumna/alumnus member of a sorority or fraternity that serves as a mentor to a collegiate chapter officer.
Bid: An official invitation from a chapter to become a new member.
New Member: This term refers to the women that have accepted a bid to a particular sorority chapter but are not yet initiated.
Phi: Each sorority has a nationally and/or locally recognized non-profit agency that they donate time and money to; they refer to this as their “philanthropy.”
PNM: Potential New Member. It refers to all incoming women going through the recruitment process before they accept a sorority bid.
