Southern Cherokee Vintage Market:
This is the second annual Southern Cherokee Vintage sale to raise money for a piece of land and building for a Cultural Center for a tribal group which has been in this region since just after the Civil War, with still no home of their own to celebrate and teach the culture to next generations and anyone who is interested in learning. The event is a building fund raiser. This event requires 2 days of onsite prep (unloading boxes of donated items, setting up tables, pricing from the internet, manning tables and repacking at the end. (3 hr. blocks of time or more). The available time slots are: Thursday, April 5, 9-12; 12-3; 3-6; 6-8; Friday: 9-12; 12-3; 3-6; 6-8; Saturday, April 7: 8-11; or 9-12; 12-3; 3-6; 6-8. We truly appreciate any time you have, even if it does not fit exactly with this template! Please contact Luce Myers at lmyers@mst.edu or 573-308-8381.

Earth Day at Missouri S&T:
This event displays environmental engaging organizations, community members, and purpose filled fun. Earth Day is an annual celebration and this year the Missouri S&T ECO Miners are promoting the national campaign “A World Without Plastic Pollution” In response, Earth Day 2018 will focus on fundamentally changing human attitude and behavior about plastics and catalyzing a significant reduction in plastic pollution. We do this by engaging a variety of students ranging from elementary to college, as well as the faculty and staff of Missouri S&T. There will be booths, activities, prizes, displays, performances, and theatre entertainment. Volunteers are needed to help set up tents and booths; Organize flow and direction as vendors arrive; Coordination with parking for buses and students; Guided walks to the Solar Village; And clean up at the end of the event. If you would like more information contact Jillian Hunt at jmh866@mst.edu.

LIBRARIES ROCK! Summer Reading Program:
Our Summer Reading Program is a month long event to encourage reading within our community and those surrounding us. Due to this year’s theme being “LIBRARIES ROCK!”, we would like to have someone from the S&T geology department come to present a program on rocks. If you are interested please contact Kathie Cox at 417-932-4866, 417-932-5261, svlib@texascountylibrary.lib.mo.us or kathiecox51@yahoo.com.

Service Spotlight
Over spring break 43 students will be traveling to 3 different states across the United States to spend their time off serving others through the Miner Challenge Alternative Spring Break program. These students are making a difference by tackling huge problems in these communities such as human trafficking, the lingering effects of war on veterans and their families, local hunger, and environmental conservation. Through the Miner Challenge program, they are able to make a difference in communities that truly need their help. The students also will get a chance to build their understanding of the issues they are facing and then communicate with others after the trip to enlighten them which will in turn create a broader impact. Support their Crowdfunding Campaign through April 4th! Crowdfunding.mst.edu.
