We accept articles and stories, announcements for volunteer, civic engagement, and fundraising/philanthropy able to make it. Silverstone Place would like to have some community service and volunteering give you opportunities you may have never had before; volunteering is one of the best ways to have the chance to show off what you are passionate allows you to share experiences with one another while all working to achieve the end goal at 10 am which would be a great activity for volunteers to come in to visit with the residents and help with an activity about once a month. Any day of the week works for them. Silverstone usually hosts an activity about once a month. They are a complete retirement community with Independent Active Living, Assisted Living, and a Long Term Care Center. Second Saturday Service November: This event is partnered with Presbyterian Manor of Rolla, which opened in 1973 and is a non-profit faith based retirement community and shows people a way to get involved. While volunteering you are working with other volunteers and community members. This volunteering will take your mind off of your personal life and stresses and allow the time setting. This allows you to gain the professional skills needed in today's work industries. Volunteering will make a difference in the community and change lives for those residents. The projects will include gardening and racking leafs, helping to prepare rooms/beds, writing cards for first responders. This event is taking place on November 12th if interested, write cards for first responders. This event is taking place on November 12th if interested, register by Wednesday, Nov. 9th at: http://studentlife.mst.edu/volunteer.html. Alyssa Soehlke is a senior in mechanical engineering from O'Fallon, Illinois. Alyssa just received the 2016 Woman Student of the Year Gold Award. Soehlke plans to graduate in December 2016. Alyssa was a PRO Leader and a success coach in the Burns & McDonnell Student Success Center, and she is a member and past president of Delta Omicron Lambda service sorority at S&T. She has participated in the Miner Challenge spring break trips and has had several co-ops and internships during her collegiate career. Through Alyssa's collegiate career she was greatly involved on the Missouri S&T campus.
